

Congress asks white paper

Bhubaneswar(KCN): Indian National Congress(INC)has demanded a white paper on the Demonitization, while dubbing it as a "Historic Blunder"

Former Union Home Minister and veteran Congress leader Shivraj Patil told Media Men here that the demonetisation of high value currencies in country has shattered the economy of the country and pushed the people to virtual penury.

Mr. Patil, who was here to participate in a demonstration of the party to gherao the Reserve Bank of India office here said the move was also a body blow to the independence of the RBI and made it a weak institution.

"The Centre has pushed the country's economy to the brink of danger in the name of recovering black money. But the Prime Minister must tell the people of the country as to how much black

money has been recovered," Mr.Patil asked.

The Congress Veteran said the end result has been tht the common man in the country has been hit below the belt with the Centre's move.

He dubbed the demonetisation move as a "Surgical Strike" on the poor people, farmers, labourers, small traders and middle class.

Mr.Patil said there should be complete restoration of money supply by removing the restriction of withdrawal of Rs 24,000 per week as people must enjoy the right to withdraw their own hard-earned money from banks.

Convenor of the movement against demonetisation Pradeep Bhattacharya addressing the press conference said the step has endangered the life and money of the people of the country.

"When as per government's admis-

sion 97 per cent of the notes circulated has returned to the banks, where are the balck money," Rajya Sabha MP Mr.Bhattacharya added.

PCC President Prasad Harichandan

who also addressed the meet termed the RBI as 'Indian Reserve Bank' and alleged it has become a puppet in the hands of the Union Government.

He alleged that

the NDA Government has waived nearly Rs 14,000 crore of industrialists after November 8 last year when Rs 500 and Rs 1000 notes were demonetised in the country.

He demanded RBI Governor Urjit Patel, who undermined the authority of the Apex Bank, should immediately tender his resignation from the post immediately.

"Mr.Patel has tarnished the image of the institution," Mr.Harichandan said.

Leader of Opposition Narasingha Mishra and AICC Secretary Subhankar Sarkar were among the leaders present at the press conference.

Mr.Mishra later told Media that the note ban move has crippled the country's economy and the move need to be condemned. "The poor and middle class in the country has suffered immensely due to the move," pointed out he.

Up to 30 people were feared to have died on Wednesday after an Italian mountain hotel was engulfed by a powerful avalanche in the earthquake-ravaged centre of the country. Italy's Civil Protection agency confirmed the Hotel Rigopiano had been engulfed by a two-metre high wall of snow and that emergency services were struggling to get ambulances and diggers to the site. The agency

said there had been around 30 guests and staff at the small ski hotel on the eastern lower slopes of the Gran Sasso mountain when the first of four powerful tremors rattled the region yesterday morning.

Local media said specialist mountain police who had reached the hotel on skis or by helicopter had begun extracting bodies. They were quoted as saying there were no signs of life inside the building, which was moved by some 10 metres by the force of the snow.

Live Cricket Score, India vs England, 2nd ODI: India 381/6, England 297/5 as Eoin Morgan, Moeen Ali keep battling in Cuttack

Cuttack(KCN): After winning the toss and electing to bowl, England had India on the ropes in the second ODI in Cuttack. England bowler Chris Woakes claimed three early wickets including that of Virat Kohli inside the first five overs to send the Indian top order back in the hut. This is a big game for both teams as a win for India will give them an unassailable 2-0 series lead while a win for England will tie it 1-1 and give them a chance to fight in third ODI. Despite the early setbacks, helped by Yuvraj Singh and MS Dhoni's centuries, India would score 381/6 in the 50 overs.

In reply, England lose Alex Hales early before getting some balance from Jason Roy and Joe Root both of whom would score fifties and put together 100 runs before being undone by the spin effort. The visitors would lose the wickets of Roy, Root and Stokes quickly to make their job tougher.

Live Cricket Score India vs England 2nd ODI

2052 hrs IST: Kedar Jadhav once again. Clever bowling by him. Mixing it up. First ball is a low fulltoss and it goes straight back to the bowler. Dot ball. Second delivery is short and it is duly dispatched for a four. Things not going well for Jadeja in the field. Three fours in this over and Moeen Ali is making the most of this part time spin option in use. Ali reaches his fifty in 40 balls.

2044 hrs IST: Bhuvneshwar Kumar is introduced into the attack. His figures thus far: 5-0-23-1. **DROPPED!** Ravindra Jadeja lets it fall from his grasp. A slower one from Bhuvni and Moeen Ali goes for the big hit but doesn't middle it. Goes comfortably towards Jadeja who misjudges it and it bounces back off his chest. Normally a safe fielder, not this time though. Played inside out by Moeen Ali and it falls safely. Kohli getting the crowd involved by asking them to make some noise and they reply in kind by listening to their skipper. Another couple for England as Jadhav fields well on the boundary. Eight runs from the over. England are 282/5 after 42 overs

2043 hrs IST: Good over from Kedar Jadhav. He goes for just five runs in that over - all singles. England need some big hits to get close to India's score - singles won't cut it unfortunately.

2043 hrs IST: Good over from Kedar Jadhav. He goes for just five runs in that over - all singles. England need some big hits to get close to India's score - singles won't cut it unfortunately.

2043 hrs IST: Good over from Kedar Jadhav. He goes for just five runs in that over - all singles. England need some big hits to get close to India's score - singles won't cut it unfortunately.

2038 hrs IST: Right then. Ashwin

bowls his final over and the 40th over. India need a wicket to break this pairing but four balls in, Ashwin goes for two singles but not wicket in sight. Make that five balls and two singles. Morgan aware it is best to play Ashwin out and he does so. England are 269/5 after 40 overs. Need 113 runs from 10 overs - 11.3 runs an over

2034 hrs IST: Hardik Pandya starts poorly into his sixth over. A length ball followed by a short one with plenty of room for Morgan to make merry. First one goes sailing into the stands and second one for a four.

2028 hrs IST: Ashwin has one over remaining but he is replaced by Jasprit Bumrah. Second ball of the over and short ball by the seamer is pulled for a boundary over midwicket. England are over the 250-run mark. Two balls later, Morgan picks up a single and brings up his fifty

2024 hrs IST: Poor line by Jadhav. Keeps going away from the leg stump to the left hander Moeen Ali who spans it into the gap for a four. Pulled behind square by the England batsman

2021 hrs IST: Drinks! England need 145 runs in 14 overs. Daunting task

2016 hrs IST: Kedar Jadhav is chipping in with the ball. Moeen Ali proving to be effective for England. He slams from off stump to the left of long-on. Runs away to the fence

2012 hrs IST: Pressure building on this England chase it seems with wickets falling at regular intervals. They need over 150 in 16 overs and the required rate is climbing as well - 9.5 now.

2003 hrs IST: Jos Buttler st Dhoni b Ashwin 10 (9) Buttler dances down the track but Ashwin veers the delivery outside the leg stump and is comfortably in Dhoni's grasp who has the simple task of removing the bails. England are 206/5

2000 hrs IST: The double spin job comes to an end as Hardik Pandya comes into the attack. Eoin Morgan continues to belt the ball out of the park. This time it sails into the crowd - distance of 91 meters. Pitched full and it is in the hitting zone for the England skipper and he makes the most of the opportunity

1959 hrs IST: Jadeja's spell comes to an end without any break in between. He finishes with figures of 10-0-45-1.

1949 hrs IST: Ben Stokes b Ashwin 1 (3) Inside edged on to

the stumps by Stokes and he's upset with his shot. Arm ball from Ashwin and it stays a tad low. Stokes goes on the back foot, instead of coming forward, and pays for that. Two wickets in eight balls for India and England's job gets much, much tougher. Jos Buttler is the new man in

1945 hrs IST: Ben Stokes is the new man in for England. He joins Eoin Morgan in the middle. England need 210 runs from the remaining 23 overs

1942 hrs IST: Jason Roy b Jadeja 82

Bowled! Superb delivery by Ravindra Jadeja and he's got the big wicket for India. Removes the set England batsman from the middle. Pitches on middle stump and spins away a touch to hurt the off stump as Roy tries to steer it down but fails in doing so. England are 170/3

1940 hrs IST: CLOSE! With fielders inside the ring, Roy goes the aerial route and it is not very well controlled. Just about beats Jadeja at the edge of the circle and it goes for a four.

1934 hrs IST: SIX! Beautifully played by Roy! Clears the front leg and then the long off boundary with such ease. Sweetly struck off the middle of the bat and it goes beyond the ropes. Taken by someone and casually flung back. Not the easiest shot to play that against Ashwin but he's made it look so effortless.

1930 hrs IST: All-round spin combination in operation now. Not many dot balls for India but the boundaries have relented for now. England, meanwhile, have moved on to 150/2 in the 24th over

1926 hrs IST: Eoin Morgan is the new man in. Jadeja switching from over the wicket and around the wicket to the left hand and right hand combination in the middle. The left-arm spinner lands it short and Roy thumps it down the ground to beat the fielder at long-on

1920 hrs IST: Joe Root c Kohli b Ashwin 54 (55)

Root goes for a sweep but gets the top edge and it is in safe hands of Virat Kohli who holds on with ease after running in and taking it at midwicket. Didn't spin as much as Ashwin normally does and that looks to have led to the edge. India finally have the breakthrough to dismantle the 100-run stand. Ashwin does the damage!

1918 hrs IST: Here's Ashwin now. Bowling around the wicket. Jason Roy steers the ball into the gap and

Root gets to his fifty. Forces Ashwin to switch to bowling over the wicket

picks up a single for his fifty. Next ball, Joe Root with a reverse sweep that beats the fielder and is comfortably into the gap for a boundary. Now

stands. 85 metres it travelled and that's the first six of the England innings. Dispatched comfortably over deep midwicket

That was a well placed delivery but an equally well placed shot by the England batsman to find the space

India. This will be tough ask for England

1727 hrs IST: Four runs from the first three balls then Jadeja hits a boundary! India move

1724 hrs IST: Last over of the innings coming up. India are 367 for the loss of six wickets. Chris Woakes will bowl the final over. He has taken four wickets in this innings. Jadeja on strike

1721 hrs IST: A powerful strike from Pandya has hit Jake Ball on his hands while he was trying to save his face. He is receiving some treatment from the physio. Seven balls remaining in the innings
